AIM HIGH @ HEPS
Dear Parents,

EDUCATION WEEK

As you are aware Education Week is only a fortnight away! Flyers and information have been provided to our local kinders and pre-schools. We would love you to share the school and your child/children’s learning throughout Education Week with the following opportunities:

You are welcome to come and observe us in action at the following times:

<table>
<thead>
<tr>
<th>Day</th>
<th>Time</th>

<td>6.30pm – 8.00pm</td>
<td>School open</td>
</tr>
<tr>
<td>Friday, 22nd May</td>
<td>9.00am – 10.00am</td>
<td>Whole School Assembly</td>
</tr>
</tbody>
</table>

Special events planned for Thursday evening are as follows:

- Various instrumental performances
  - Around the school
- Choir performance
  - In the BER at 7.00pm
- Multi-media highlights of special events
  - Around the school
- Inquiry Based Learning activities
  - In classrooms
- Food Technology/Science Facility
  - On display
- Resource Centre
  - On display
- Artwork displays
  - Around the school
- All classrooms open

Friday morning:

- Student Leaders host Friday morning assembly
  - Friday 9.00am
- Band Performance
- String Performance
  - Friday 9.00am

Monday 11th May

Tours will be available throughout Education Week

Feel free to make an appointment and we will endeavour to accommodate.

Please contact the school office on 9729 5439.

PRE-SERVICE TEACHERS

We farewell two 3rd Deakin pre-service teachers, Damon Webb and Emma Honan, after 10 days practicum in 4C and 4B and welcome the following 2nd year pre-service teachers to Foundation A and 1C: Tori Mason, Kate Barry, Jasmine Wood and Emma Farrington respectively. I trust that these pre-service teachers will benefit from the expertise and professionalism of our staff as well as our students benefiting from their enthusiasm and passion to become effective teachers.
SCHOOL SPORTS PROGRAM
This is the replacement for Active After School Communities (AASC); we are fortunate to be a pilot school hence we are running the activities this term. Thank you goes to David Deith and Bev Darling as we have Junior Soccer and Senior Soccer after school activities this term. It appears to be extremely popular!

ANZAC CEREMONIES
The HEPS student leaders did us yet again proud! Junior School Councilors with Emma Cody and Rhandi Arthur travelled to the Ringwood Lake ceremony and, School Captains, House Captains and Vice Captains as well as the social Service Monitor attended the Shrine service with Libby and myself. School leaders laid a wreath on behalf of the school and again students are to be commended for their respect and dignity on this important event. I believe the short service we shared at the front of the school with all our students, School Captains and Oskar (4B) was also fitting and reverent for this important commemoration; thank you to all the families that provided flowers and wreaths laid at the base of our flag. You might like to read the reflection of the JSC experience and the words expressed by Oskar at the school service, both attached to this newsletter.

BYOD iPads Program in Levels 5 and 6: Risk Assessment Report
The Task Based Risk Management was completed during Term 1 and reviewed by the members of the Education sub committee. The pertinent points are as follows:
- No iPads to be left anywhere but in the tub and must be used on tables, which is reflected in the iPad agreement
- iPad agreement presents consequences of the misuse of iPads at school
- iPad agreement states that students cannot send electronic communication without teacher consent (Consequences are in place)
- The teachers will provide cyber safety lessons with students twice a term
- Students are not to charge iPads at school
- iPads are locked in the Comms room during recess, lunch and assembly
- iPads are to be used by students or locked away
- Bags are to be kept inside the classrooms with iPads when students are at specialists
- Students pack iPad securely in school bags to and from school
- Students do not reveal that they have an iPad in their bags whilst travelling
- Students to travel with parents/guardians or in safe numbers when travelling along the creek and bicycle paths
If you wish to discuss this further please contact me via the office.

PARENTS’ ASSOCIATION
On Friday 17th April a new Parents’ Association was formed.
Congratulations to our Office Bearers:
President: Kieran Halpin
Vice President: Sue Buckingham
Secretary: Saphron Bonner
Treasurer: Pauline Haddad
Their first item of business is the Mothers’ Day stall which will be provided to our students on
Thursday 7th May. Check out the selection of gifts and whisper in your child/ren’s ear your choice and maybe you will be pleasantly surprised on Sunday 10th May. Happy Mothers’ Day to all of you!

CONGRATULATIONS – ASHLEIGH YEATES

Congratulations to Ashleigh, our Music Teacher; she will soon be donning an engagement ring. The setting for her proposal was at the sunrise at Angkor Wat during the last holidays.

HOUSE ATHLETICS

Students are encouraged to wear their House colours on Wednesday 6th May as they compete in the House Cross Country run at HE Parker. We would love the students to get into the spirit and patriotism of their team and enjoy competition, teamwork and pride!

REMININDERS:

NAPLAN

The National Assessment Program – Literacy and Numeracy (NAPLAN)

Our Level 3 and 5 students will sit for Literacy and Numeracy tests on Tuesday 13th May, Wednesday 14th May and Thursday 15th May. The results of the tests provide diagnostic information for parents and teachers about a child’s performance in Language Conventions, Writing, Reading and Numeracy. This information can be used to support teaching and learning programs and improve student achievement. As always expressed, this is only one test on one day in your child’s life and is certainly not indicative of your child’s successes and balanced education.

LEAVE

I will be on leave commencing Monday 18th May as I travel through various countries in Europe with my parents. Mr Cameron Agars will be the Acting Principal during the six weeks of my leave. I look forward to seeing all the HEPS’ smiling faces first day back in Term 3, July 13th. Stay safe and keep AIMING HIGH!

WHAT A DELIGHT!

When I arrived at school on Tuesday there was a notice on my desk from one of our students in Level 3. Charlotte has allowed me to publish it in this newsletter. Isn’t it great to witness our students loving and appreciating their teachers?

Kind regards,

Kitty Allard.

Principal.
STUDENT LEADERSHIP

The Level 6 students will complete their Leadership Training with Kate Wilde next week. As part of this training, the students have worked in groups to complete a project that promotes the HEPS values: Respect, Responsibility, Teamwork, Acceptance and Confidence. These projects have included a puppet show, iMovies and a flash mob.

The facilitator of this program Kate Wilde from “The Workshop” invites all Levels 5 and 6 students and parents from the 5 participating primary schools, Bayswater North, Heathmont East, Tinternvale, Dorset, Ruskin Park and Croydon to an evening titled, “Attitude and Resilience in Pre-Teens”.

This will be held at:

Venue: Croydon Primary School
Address: Cnr. Kent Ave and Croydon Rd, Croydon
Date: Thursday 7th May
Time: 7:00 – 8:30 p.m.

This is a great opportunity to ask questions and for your child/ren to hear an important message from another person!

Looking forward to seeing you there.
Great news with our HEPS Compass Portal.
To date we have over 90% of our families who have logged on at least once and 82% who have logged on at least twice. The word from Compass is that this is one of the best rates of any primary school they have worked with.

Recording Student Absences on Compass
One of the many advantages of the HEPS Compass portal is the ability to approve absences online. You will notice the green area under the My News heading and this is where all notifications that require your attention will be placed. This could be absences, activities or approvals.

When notifying us of a past or future absence simply tick the date and then hit the parent approve button. You can also specify the type of absence or add comments eg. Medical, dentist etc.

You will see on the right hand side your news feed. This will contain information about upcoming excursions, camps and activities as well as the school newsletter. If you check in regularly you will see targeted information for your children. There will also be the facility to pay for school activities via Compass from your computer or mobile device, including your smart phone.

Online Payments
Activities can be approved and paid for by credit card by clicking the green area and following the instructions. At this stage each activity must be paid for individually but Compass are working on changing this in the future where families can collate activities and pay once.

School Reports
On June 19 your child’s report will be available via our Compass portal. Shortly we will send out some information in regards to report production but unless arrangements are made reports will not be printed. More information will be made available in the coming weeks.
**Parent Information Session – Wednesday May 13. 9.15am**

On Wednesday May 13 I will run a parent information session where you can come along to our computer lab in the BER for a basic Compass overview. We will cover the initial setup, recording absences, approving activities as well as answering any questions you may have. This will start at approximately 9.15 (straight after assembly). The school laptops will be available for you to use to log into your account. If you have any further Compass questions please don’t hesitate to contact us. It is our aim to have all of our families connected by the end of semester 2.

Kind Regards

Cameron Agars
Assistant Principal

---

**Sustainability Day!**

**KEEP THE DATE!!**

On Thursday 18th June, H.E.P.S. is holding our annual Sustainability Day.... And we need YOUR HELP!!

Various educational and worthwhile activities are currently being organised for the day and to assist in reducing the ‘environmental footprint’ of the day, we are putting a call out for the following items:

- Used CD/DVD/CDrom,
- tin - clean with label removed and please check for sharp edges. (Ring pull cans tend to not have the sharp edges.)
- cuttings of hard wood herbs or other easy to strike plants (eg, succulents)
- potting mix

These items can be bought to school and neatly stored in room 8.

Again we thank you for your support of the curriculum and activities here at H.E.P.S.

The Sustainability Day Team
The Grade 5 J.S.C. members took the opportunity to reflect on our excursion to Ringwood Lake:

On the 22nd of April 2015 the members of the Heathmont East Primary School JSC group went on a trip to Ringwood Lake.

After we left our separate classes we met in the staff room to have lunch and get the wreath from Miss Allard. Before we left we took a picture. After the picture we got on the bus with some people from Heathmont Secondary. The trip was less than 15 minutes long.

When we got there, was a long line of students ready to enter. In total there were over 670 students from schools in Maroondah.

We listened to a short speech about ANZAC. Then we listened to marching bagpipes and drums bang. Once we had applauded them, some of the Yarra Valley Grammar students came up and read out the ODE.

Then we listened to a old army constable tell the tale of how his dad's dad went to war. It was pretty intense and amazing. It turned out that the constable's grandad was rescued by none other than Simpson and his Donkey.

Then all of the 26 schools sent up there 2 representatives to lay down the wreath. We were the last school to lay down our wreath. Then we sang the Turkish national anthem. When that had finished we sang Advance Australia Fair.

Then we had a minute of silence. When the minute of silence was over some people said some words about ANZAC and the people who organised the great day. Then we got called out in schools to board our buses.

Did you know: Simpson and his donkey were also known as Fitzpatrick and Murphy.

Another fact: The ANZAC's were trying to launch a surprise attack by attacking at about 4 o'clock in the morning, but the Turkish were waiting on the high ground so they had an advantage.

Your 2015 J.S.C. team!
Hero Award!

I strongly believe Miss Urban should have a Hero Award! This is because she helps us, she is fun and cares about all of her students.

Firstly, she helps us whenever she can. For example when I needed a little bit of help at the start of the year, and when I still need a bit of help in a test or with a question, she will always come and help me the best she can without giving away the answer.

Secondly, she is fun. This is because she makes schoolwork fun. For example when we had to work on our clock times a few people had groaned but she had a special clock game that everyone wanted to play. It was called clock bingo!

Lastly, Miss Urban cares about all of her students. For example we always have circle time everyday so that she knows how we feel and on Mondays she wants to know a few things about what we did on the weekend.

As you can see I strongly believe that Miss Urban deserves the Hero Award because of the wonderful things she does.

Charlotte Wise – 3C
Book Fair is coming to HEPS!
Once again during Open Night on Thursday the 21st of May we will be holding Book Fair in the Library. Book Fair will be open to all HEPS families and on the night you will be able to purchase some amazing books at very low prices.
We will be having a special guest come along to visit our students, so make sure you pop into the Library to meet him. Parents, you may wish to have your camera ready for an exciting photo opportunity.
Come along, grab some bargains, and support our school!

Premier’s Reading Challenge
Congratulations to all those students who have already signed up for the Challenge. It is not too late for those who haven’t to grab a form from outside the office and sign up asap!
Can you believe we already have some students who have completed the Challenge! Well done. Let’s work together to get as many students as we can develop a love of reading!
Parents, you can obtain a copy of your child’s username and password from your child’s teacher so that you, or your child, can start putting their books online.

Happy reading everyone!

Sue Austin      Library
The 16th Japan Festival is coming up on May 17th.
An interesting Sunday with plenty of things to see and do. I hope to see you there 😊

UPDATES:
Takashi Imamura, our new Japanese Intern, has settled in well at HEPS. He has been visiting many classrooms and enjoying the experience. 😊

In the LOTE classroom Level 5 students had the opportunity to listen to Takashi’s jikoshoukai (self-introduction). They were able to apply their language skills to communicate clearly and accurately. yoku dekimashita (well done). 😊

JAPAN TRIP OCTOBER 20TH - 30TH 2015
Families will be contacted soon to arrange interview times. For those of you unfamiliar with the student selection process, HEPS has always conducted student and parent interviews. Teachers have a huge responsibility when undertaking the role of chaperone to students travelling overseas, thus the selection of suitable participants is of the utmost importance. A student must have demonstrated a positive, polite, co-operative and responsible manner throughout their time at HEPS. They must be able to cope with challenges and follow instructions. The trip promises many interesting, enjoyable and valuable experiences.

HEPS JAPANESE BLOG
We have an interesting Blog for Japanese on the Heathmont East Primary School website now.

**Rewards Program update**

Available in Term 2, we have two new reward items from our Outer Space Savers range for students to redeem.

- Invisible Ink Martian Pen
- Intergalactic Rocket
A big thank you to all the parents who have brought in resources from home for our projects. We would now appreciate the following to continue our creative endeavours. Grade three and four students will need more wool, and grade four students will each need a soft drink bottle (1.25/1.50 litres). These can be left at the Art Room door. Thanks so much for helping us create!

**Mother’s Day Stall**

A reminder that the Parents’ Association is holding the Mother’s Day Stall on Thursday 7th May.

Items are priced from $0.50c - $4.00. Please bring a maximum of $5.00 in a named envelope or wallet to school on Thursday with a plastic bag to carry special surprises home.

Thank you

Parents’ Association
About the Kindergarten
Tarralla Kindergarten provides a stimulating, creative, play-based learning program in a warm, friendly and caring environment. Together with our highly qualified and motivated teachers and our newly refurbished facility, we offer a comprehensive early learning experience for children. We are currently offering 2, 3 and 4 year old programs.

Program Information
FOUR YEAR OLD
Our four year old program integrates play and learning in a rich and stimulating environment. The program is developmentally based and planned around the children’s interests. Our curriculum is child-initiated and teacher assisted and the children are active participants in their learning. Literacy and numeracy are embedded into the learning program and the development of sound emotional and social skills is a high priority of the four year old kinder group. Most importantly, we aim to provide a nurturing environment that develops self-assured, lifelong learners.

RISING 4’s
Our “Rising 4’s” group caters for older 3 year old children and younger 4 year olds. It provides a unique opportunity for children to further consolidate their development and learning across 2 sessions totalling 6 hours per week for 30 children. The children must turn 4 by 31st August. Staff build around children’s interests to create an environment which is warm, welcoming and committed to enable children to develop a sense of trust, security and belonging. Staff support each child to initiate and develop friendships and explore aspects of their world and relationships through their role play. A carefully planned environment provides opportunities for children to explore their ideas, to question, to predict, to learn how things work and to incorporate basic maths and science into their learning along with a rich environment for language and literacy.

THREE YEAR OLD
This flexible program offers an introduction to the kindergarten experience for children who have just turned three years of age. This program caters for up to 20 children per group and is run by a qualified kindergarten teacher. The children attend 4 hours per week over 2 sessions. The focus is developing the children’s confidence and helping them to become contributing social members of the group.
THANK-YOU FOR YOUR CONTINUED SUPPORT

When you purchase any goods at The Good Guys in Bayswater, please ask for a reward voucher so that HEPS can redeem Bayswater Bucks. Please remember to forward to the school office.

For every $25 spent HEPS receives a $1 Bayswater Buck

Join our School Rewards Program and every time a student, family or staff member purchases a pair of shoes from the Athlete’s foot stores, $5.00 goes back to our school in the form of sports uniforms and equipment.

Heart Foundation Walk
Fridays at 2.15pm in Heathmont
