AIM HIGH @ HEPS

PRINCIPAL’S REPORT

Dear Parents,

WELCOME BACK

Welcome back to both you and me! Thank you to the many people who have enquired about my time overseas. As you can imagine it was fabulous; everyday seeing interesting places and enjoying exciting activities. In saying that, it’s great to be back at our wonderful school. The welcoming smiles, hugs and hellos from our friendly students certainly help to make the transition back into school so much easier.
I would like to thank the wonderful staff for maintaining the excellent standard of HEPS during the challenging end of term - a time of reports, interviews and when people are most tired.

Congratulations to Mr Cameron Agars for securing the Acting Principal role at Bayswater Primary School. He informed me that he really enjoyed the chance to lead our school community and it reinforced that that he would love to lead his own school. We wish him every success as he heads this school over the next 12 months. It is great to witness that HEPS is a school that builds confidence in staff as they develop professionally and that they acquire the skills to move onto positions of greater responsibility. It does mean however that we need again to secure a competent person to fulfill the role of Assistant Principal.

Congratulations to Miss Kristen Lucas who became Mrs Bulfin as she married on July 4th.

Welcome back Mr Exton, I know your class is thrilled to have you back.

Thank you Miss Ashleigh Gardiner who worked so diligently with 1/2B and is now working with 5B.

Thank you Mrs Edwards for continuing to work with Level 5A during the transition of finding a new Assistant Principal.

We welcome 2 teacher interns from Deakin University Mr Paul Quon in 3A and Miss Sarah Ierfone in Foundation B. We are confident that they will learn from our talented staff and develop into excellent teachers for the future.

Even with these significant changes we have started term three with exceptional success! The students have returned eager to be at school and to learn.

**WELCOME TO NEW FAMILIES**

We welcome the following students and their families: Lay Wah Ku, Tha Yu Moo and Jackson in Foundation, Joel in Level 1, Liam in Level 2, Tara in Level 4, Callum and Conor in Level 5 and Nick in Level 6. We trust that these children will benefit from and contribute to the friendly and supportive learning community of HEPS.

**PARENT OPINION SURVEY**

The 2015 Parent Opinion Survey will be conducted shortly from 27 July to 7 August 2015. We encourage those parents who are randomly selected to participate in this survey as it provides important feedback which will assist us in future planning and improvement. The survey is confidential and designed to protect the identity of individual respondents.

**SAFETY AND CONSIDERATION ON THE ROADS**

As we start the school term please remember to adhere to the road laws, parking signs and common sense when it comes to ensuring everyone's safety. If people use the ‘drop off’ zones correctly or keep the flow moving as you drive around Louis Street it will prevent frustration, anger and more importantly accidents.

Even better, encourage your children to walk or ride to school; this promotes physical fitness, positive lifestyle habits and reduces congestion alongside the school and adjacent residential areas.

Please note that the Term Three planner is attached to this Newsletter; you may like to secure it in an obvious location and add to it as other items of interest eventuate.

Thank you to everyone for your contribution to a great start to term three.

Kind regards,

Kitty Allard.
Principal.
In Term 2 we were lucky enough to be chosen for a special interstate visit from celebrated children’s author Ursula Dubosarsky and illustrator Andrew Joyner. Our students had a wonderful time learning about the writing and illustrating process and collaboration. Ursula and Andrew were entertaining and educational. Andrew sent us a message to say “Huge thanks for making us feel so welcome at Heathmont East. We had such a lovely time. I hope I can make it back to your school sometime…. I must say our visit to your school was a real highlight of the trip.” Our students helped Andrew illustrate a book especially for us! Here it is.....
HEPS WRITE YOUR OWN BOOK COMPETITION

Once again we are proud to announce our annual HEPS Write Your Own Book competition. This year our story will be called “When I lived a long time ago…..”

Our title is inspired by our Inquiry Learning topic this term which is HISTORY. Students can choose the area of history they may want to base their story on. Teachers will be able to provide some guidance in relation to topics. Don’t forget the book is a work of fiction, but students may wish to base their stories on fact if they so choose.

All students are invited to participate. Books must be picture story books including pictures and text and be no more than 10 pages long. Prizes will be awarded to the winners of each grade level. Entries must include your name, grade and year level. All entries must be submitted to Mrs Austin in the Library no later than 16 September. I look forward to being overwhelmed with entries in this exciting competition. Prizes will be awarded to the winners at assembly during Term 4.

1300 MS READ

See back for more details
Your child can join thousands of kids to give a helping hand to people like Kate and her mum.

The MS Readathon is a simple way to empower your child to make a difference.

Taking part is easy. Simply register online and encourage your child to read as much as they can throughout August to help people living with multiple sclerosis (MS). Ask friends and family for support through sponsorship donations. In November, your child will receive a Certificate of Appreciation.

Every minute, every book, every dollar counts.

Introducing the HEPS Second Hand Uniform Shop!

HEPS Parents’ Association is thrilled to launch the HEPS Second Hand Uniform Shop. The aim of this initiative is to find new homes for pre-loved uniforms and help raise funds to help those families who may need assistance purchasing uniforms for their children.

What can I donate?
Parents can donate re-wearable and washed official school uniforms (with HEPS logo). Uniforms must be in good condition, with no repairs necessary. Items such as school bags, art smocks and library bags are also welcome.

Where can uniforms be dropped off?
Uniforms can be deposited in the Yellow wheelie bin which will be located inside Room 1.

Where and when can I buy second hand uniform items?
The second hand uniform shop will be open from 8.30am-9.30am and 3pm-4pm on one Friday each month, and at the same times on a Thursday in the alternate month. Hours will be clearly published on Compass, the School Newsletter and the School Facebook page.

How do I pay?
The second hand uniform shop can accept cash sales only.

What type of price range can I expect?
Prices will vary depending on the uniform item and its quality – but you can expect to pay $2 to $10 per item.

Who should I call if I have any questions?
Please contact Saphron Bonner (PA Secretary) at HEPSPA@yahoo.com.au

Parents’ School Social Nights

Fancy extending playground chats over a meal? Or perhaps you’re unable to make school drop off or pick up due to work or other commitments and are keen to meet the parents of the children your children socialise with? Then join us for a Grade Level Parents’ Social Evening!

This initiative will be piloted with HEPS Grade 1 parents with consecutive evenings for Grade 3, Foundation, Grade 2, 4 and then 5/6 combined and is designed to foster the great community spirit we enjoy at HEPS.

These Parents social evenings will be held at the newly renovated Bistro at the Ringwood RSL on Bedford Road, Ringwood (opposite the Ringwood Station), with meals and/or drinks purchased directly from the RSL on the evening. There is ample parking on site.

Stay tuned for dates and details pertaining to your child’s year level so you can RSVP and an appropriate number of tables can be booked. The objective of these nights are for parents to socialise, however we understand that for some families, children will need to join you, please advise if this is the case.

If you have any queries, please don’t hesitate to contact Kieran Halpin 0448 351453 (PA President) or Sue Buckingham HEPSPA@yahoo.com.au (PA Vice President).

National Asthma Week (NAW)

Once again, National Asthma Week will be held in the first week of September. This is a week for us to raise awareness about asthma in our communities.

The theme this year is ‘You Care, We Care—Our Asthma Community’

If your school or education setting would like to get involved with NAW, please contact us at schools@asthma.org.au

Term 3 2015
Asthma Kids in the classroom

Asthma Kids is an online interactive “Asthma Trail” for all primary aged students. Asthma affects 10% of the population and Asthma Kids can help all students to gain an understanding about asthma in a fun way. When we surveyed school leaders and teachers about asthma resources in the school, you responded strongly that activities should be for all students, not just those with asthma. Asthma Kids works as a stand-alone lesson or provides a great starting point for cross-curricula activities around asthma and chronic conditions.

Along with Asthma First Aid training for staff, having students know what to do if a classmate has an asthma flare-up contributes to a safe and supportive school environment for those with asthma.

When students complete Asthma Kids they get a certificate from Chester, the ‘host’ of the trail. Students are also eligible for the monthly prizes – this requires the teacher’s contact details to comply with internet guidelines for children.

As a further incentive, this term, one class that does Asthma Kids will receive a set of personalized products from Identity Direct, made up of a Teacher’s Prize Pack and a set of pencils for each child with their name engraved on each pencil.

So get your class onto Asthma Kids at:
www.asthmakids.org.au

and help build better understanding and attitudes around asthma. National Asthma Week is 1-7 September of each year.

I’ve had Asthma First Aid today – new resource

In term 3 you will receive a new resource funded by the Australian Government as part of the Asthma Child and Adolescent Program (ACAP) – the same program that funds staff training in schools and this newsletter.

The resource is an easy way to let parents and carers know about the school’s management of an asthma incident for their child. It records details about the time and place of the asthma flare up, the medication administered and any follow up required to maintain your processes to react to asthma incidents.

When medication was administered _______ (time) _______ / _______ / _______ (date)
[ ] by the student
[ ] by a staff member: ___________ (name)

What Did administered was: ___________ puffs of ___________

Puffer and spacer used were: ___________

The asthma flare up occurred: _______

[ ] in the classroom
[ ] during/after sport
[ ] during novel / lunch break
[ ] other

The form will be made available as a writable pdf that can be provided by email to the family and easily kept in your electronic records. A limited number of DL forms will also be available. Both formats will promote our “You Care We Care” campaign to parents and carers.

bringing up great kids

Would you like to understand why your child behaves the way they do?

Are you interested in knowing more about why you parent the way you do?

Would you like to explore how to enhance your parenting and relationship with your child?

Bringing up Great Kids (BUGK) is a parenting program that uses mindfulness and reflection to support parents as they review and enhance their patterns of communication with their children.

Bugk Program supports parents as they explore what influences their parenting practices, and the messages they’re passing onto their children.

The program aims to work with parents as they establish a new way of relating to their children.

For more information on how to register, please contact Melanie Fear on 8878 3900
