

Photograph Permission

Dear Parent/Guardian,

Photographs will be taken of various school events and activities throughout the year. Your child may be selected to be in a photograph and we require permission before that photograph can be published. This includes photos in the local paper, HEPS Newsletter, video/DVD promotions and a variety of internet based mediums; for example, the HEPS Website, Facebook, Compass).

This permission will be for the whole of the period that your child is enrolled at Heathmont East Primary School. If for any reason you wish to make a change to the permission originally given, please notify the school in writing.

Yours sincerely,

Kitty Allard

Principal
